

MTWHF + MTWHF/RFC

MOUNTAIN PURE® WHOLE HOUSE FILTER

MTWHF

MTWHF-PRE

WHOLE HOUSE

Single Sump /
Water Softener
Replacement Cartridge
MTWHF/RFC

PRE FILTER

For High Sediment Water
Removes Sediments
Down to 5 Microns
Replacement Cartridge
MTWHF-PRE/RFC

Impurities Removed:

Dirt and Rust Particles 20 Microns or Larger

Chlorine

Bad Tastes/Odors

Volatile Organic Chemicals

Removes Turbidity

Prevents Hard Scale

Protects Plumbing Fixtures and Appliances from
Low pH / Aggressive Water

✓ Advanced Triple Action Water Treatment (All in One Filter Cartridge):

Depth Filter for 20 micron particle filtration: Effectively removes particles down to 20 microns, such as dirt and rust.

Granular Activated Carbon: Significantly improves taste and odor by filtering out chlorine and other impurities, and reduces Volatile Organic Chemicals (VOCs).

Salt-Free Softening & Scale Prevention: Protects appliances by preventing scale buildup and corrosion from low pH/aggressive water.

✓ **Leaves Natural Minerals** such as Calcium, Magnesium, & Potassium.

✓ **Water Conservation:** No backwashing every week, which eliminates up to 6,720 gallons of water per year compared to some competitors' filters.

✓ **Septic Friendly:** No backwash water and does not add salt to your septic system.

✓ **Suitable for city or well water** that does not contain an excessive amount of particles.

✓ Installation Flexibility:

No electrical connection needed.

No drain connection needed.

Mounts on wall and not floor like most competitors.

✓ Performance:

Max flow rate = 15 GPM; Best flow rate = 8 gpm.

✓ **Maintenance:** Replace cartridges every 12 months

✓ **Legal Compliance:** Not subject to salt-softener bans or restrictions.

✓ **Certifications:** Components meet or exceed NSF/ANSI Certifications, NSF Standard 42, and NSF Standard 60.

✓ System Recommendation:

1x Filter for households 1-5 persons.

2x Filters for households of 6+ persons.

MT1250XL, MT3K-HF, & MT6K-HF POINT-OF-USE & FULL FLOW FILTERS

Mountain Pure®
**Point-of-Use Carbon
Filtration System**

MT1250XL

- 1,250 gallon capacity - lasts 1 year based on average usage
- Removes 99.9% of particles over 0.5 microns
- Removes harmful household lead from your water
- Anti-microbial agent reduces bacteria
- Operates without wasting water like reverse osmosis filters

Mountain Pure®
**3,000 Gallon Full
Flow Filter System**

MT3K-HF

- 3,000 gallon capacity
- No additional faucet required
- Built-in shut-off valve makes filter changes easier
- Retains vital minerals in water to ensure health and delicious taste of your water

Mountain Pure®
**6,000 Gallon Full
Flow Filter System**

MT6K-HF

- 6,000 gallon capacity
- No additional faucet required
- Built-in shut-off valve makes filter changes easier
- Retains vital minerals in water to ensure health and delicious taste of your water

Impurities Removed (MT1250XL):

Prevents Scale
Chlorine
Bad Tastes/Odors
Chloramines
Dirt and Rust
Giardia Lambia Cysts
Cryptosporidium Cysts
Molds and Algae
Asbestos Fibers
99.9% of all particles .5 Micron or larger
Lead
Trihalomethanes
Volatile Organic Chemicals
Removes Turbidity
Removes Pathogenic Bacteria
Leaves Essential Minerals Intact
Self Sterilizing
Leaves Natural Minerals such as Calcium, Magnesium, & Potassium
Automatic Shut-Off when Replacing the Cartridge

Impurities Removed (3K & 6K):

Lead	Foul Odors & Tastes
Sediment	Iron
VOC	Molds
Pesticides	Trihalomethanes
Hydrogen Sulfide	Asbestos Fibers
Aluminum Chlorine	Rust
Algae	Suspended Solids
Turbidity	Sub-micron Asbestos
Pathogenic Cysts	MTBE
Foul Odors & Tastes	

PRODUCTS AVAILABLE:

MT1250XL	Point-of-Use Water Filtration System
MT1250XL/RFC	Point-of-Use Replacement Cartridge
MT3K-HF	3,000 Gallon Full Flow Filter System
MT3K-HF/RFC	3,000 Gallon Full Flow Replacement Cartridge
MT6K-HF	6,000 Gallon Full Flow Filter System
MT6K-HF/RFC	6,000 Gallon Full Flow Replacement Cartridge
